

# "TELL FORT WILLIAM HER RECEPTION WAS WORTH ALL OUR SCRAPPING IN FRANCE," STATES WINNIPEG 52ND BOY ON RETURN

(Special to the Times-Journal)

WINNIPEG, March 31.—When R. Caldwell, of Winnipeg, member of the 52nd battalion, broke through entanglements of arms, smacks and caresses at the Canadian Pacific railway depot tonight, he said: "The way Fort William treated the 52nd battalion made history in entertainment. We had a Y. M. C. A. dinner at Port Arthur that I bet had 14 courses. In Fort William the whole town was ours. Boy, I never saw such a welcome in my life. The whole scrapping was worth while for that. You tell Fort William for Winnipeg boys that we're for those towns from now on and forever more."
