

Discharged Soldiers

For 6 months we are giving you a discount of 10% off all Semi-ready Clothing (price label in pocket), also all furnishings, shoes, hats, etc., whether for street wear or for work, and remember, all our goods marked in plain figures. Think what this means to you. We outfitted over 50% of the 52nd assigned to this city, so the above is not an idle joke.

This is much better than the 20% off. We will leave this to your own good judgment as to its merits and values, and note where the shoe pinches the harder they holler. Best of service and unsurpassed quality of goods.

Special orders left tonight will be finished for Easter.

Yours for service,
