MAKES A CORRECTION

Editor, News-Chronicle—In my letter of yesterday about the Veterans' boxing program I should have said April 24 and not June 24.

A DISGUSTED VETERAN

Port Arthur, April 22.

PTE. LUCAS REPLIES

Editor News-Chronicle :—In reply to the poor, soreheaded, narrow-minded, Disgusted Veteran, I want to point out to him that the fallen comrades of the St. Julien battle, and in fact every other battle in which the Canadians took part, are always fresh in the minds of the comrades who are always working for the benefit of the association and the dependents of fallen comrades. I also want to point out to him that the memorial service which was to be held last Sunday did not materialize on account of no ministers available. I will also state here for his special benefit, that the majority of us, who attend regularly at the G. W. V. A. meetings, always observe a little mark of respect for fallen comrades, which would, no doubt, do the Disgusted Veteran good to come in on. And just as soon as some of the soreheads feel like doing some real hard work, in the way of entertaining, the G.W.V.A. one man entertainment committee will be only too pleased to take a rest. But my advice to the Disgusted Veteran, who is well known to the writer of this reply, is to attend the meetings, and make his objections in the proper place, and the next time he writes to the editor to rectify the dates, as there were others in this big war besides him, although he might not think so. Thank you, Mr. Editor, for the space. One of six of an entertainment committee.
