

TO THE EDITOR

A COMEBACK

Editor News-Chronicle :—In reply to Private Lucas, I will pass over the vituperation as one doesn't expect to get a silk purse out of a sow's ear. I have seen the president of the Ministerial association and he assured me that body was never approached or they would have been pleased to give their services for a memorial service; so that shows that Private Lucas, to put it mildly, is a stranger to the truth.

A DISGUSTED VETERAN.
