

AN OPEN LETTER TO Mr. and Mrs. Master & Miss Fort William

Have you made up your mind what you will do with the interest on your Victory Bonds due next Thursday, May 1st?

Why not make up your mind right now that you will take your interest and buy

War Savings Stamps or Thrift Stamps

No matter how small amount your interest may be you can start a Thrift Card, or if your interest is over \$4.05 you can buy a War Savings Stamp bearing interest of over 5 per cent.

Fort William Victory Bond owners should certainly see to it that the interest on their Victory Bonds is not wasted but re-invested.

In England and Scotland the war savings campaign has been a great success, over three hundred million dollars' worth having been bought up by the people.

Victory Bonds started hundreds of thousands of people saving—continue the practice, which is made easy through War Savings Stamps and Thrift Stamps.
