

NOTICE!

Returned Soldiers, Sailors, Nursing Sisters

Has your war service biography been prepared for publication in the Thunder Bay book "Soldiers of Canada in the Great War?"

This will be a directory of those who served Canada from Fort William, Port Arthur, Kenora, and all the towns and districts of Thunder Bay.

If your biography has not already been sent in will you please forward answers to the following questions? Then a typed proof of the completed biography will be sent to you for correction. There is no charge for placing your biography in the book. The service is free.

The work of collecting these biographies for publication in book form was started in November last. At that time there were comparatively few soldiers returned from service. Quicker progress is now being made, owing to the heavy recent demobilization.
