

Gordon Robertson, son of Mr. and Mrs. J. D. Robertson, of this city, who has been on service overseas for the past three years, arrived home last evening, and today is being welcomed by his old friends. Gordon Robertson was attending the collegiate institute when he enlisted with the 94th battalion in 1916. Since reaching France in the autumn of the same year, he has been attached to the 28th battalion, and went with that unit to Germany.
