Mr. and Mrs. Geo. Copeland, of 119 Frederica street, welcomed home this morning from overseas their son, Private Thomas Copeland, who enlisted in 1915 with the 29th battalion at Swift Current, and has been overseas ever since, being transferred in France to the 10th Canadians. He came through all the big battles of the war unharmed until the last advance after August 8th, 1918, when he was gassed in the fighting near Cambrai. After being in hospital for some time, he rejoined his unit and went with the army of occupation into Germany, after which he returned to England and sailed for Canada on the transport Carmania.
