Battalion Pin Given To Busy Bees

A very pretty gold and enamel pin has been presented to Mrs. Fred Dulmage by the officers of the 52nd battalion, the gift accompanied by the following letter addressed to the secretary of the Busy Bee club:

"I have been requested to present you with this emblem of the 52nd battalion as a mark of appreciation for the splendid manner in which the Busy Bees of Fort William have always striven to extend every possible courtesy and consideration to the battalion and its needs. Especially, I have been asked to emphasize the great appreciation due to the Busy Bees for the splendid colors that were presented to us, and it is hoped that you will always wear this pin on occasions when the Busy Bees are in formal session."

The letter is signed by F. W. La Socur, sergeant for Lieutenant Colonel W. W. Foster, D.S.O., late commanding officer of the 52nd battalion.
