

# TWIN CITIES LEADING DOMINION IN SALE OF WAR SAVINGS STAMPS

Sir Herbert Ames Wires Appreciation  
to Local Committee and  
Canvassers.

The following telegram addressed to Dr. C. C. McCullough, chairman of the local war savings committee speaks for itself, and will make Fort William proud of the efforts of its citizens.

"Your division of the national war savings committee ranks first in the sale per capita of war savings stamps. I desire to congratulate you and your committee on the splendid results achieved.

"I am confident that the pledge drive now being conducted will further demonstrate that the people of Fort William and Port Arthur realize the advantages and importance of the W. S. S. movement. It is destined to be a tremendous value to Canada. Please convey to the ladies' organization, the life underwriters and the rotary club the thanks of the national committee and my personal appreciation of their enthusiastic co-operation in this work.  
HERBERT B. AMES."
