

TWO CITIES LEAD PER CAPITA SALES OF WAR STAMPS

Fort William and Port Arthur lead all in the Dominion of Canada in per capita sale of War Savings Stamps according to a telegram received by Dr. C. C. McCullough, of Fort William, from Sir Herbert B. Ames, general organizer for the campaign which started yesterday. Sir Herbert says:—

“Your division of the National War Savings campaign stands first in sales per capita of war savings stamps for the entire Dominion. Congratulate you and the committee on the results which are a credit to all concerned. Especially congratulate the ladies, the Life underwriters and the Rotary club.”
