Memorial services will be held in St. Andrew's Presbyterian church on Sunday evening, May 4, to honor to the thirty-eight men from this congregation who have given their lives. Over three hundred men went from St. Andrew's church to battle for liberty and peace. Most appropriate music will be rendered by the choir, the soloists being Mrs. S. McMullin and Basil Smith. The subject of discourse, "Doing One's Best." A hearty invitation is extended, especially to all returned men and their friends.
